

Wibble Wobble

My Mummy makes the best noodles in the world.

I put noodles on the poodle

And draw a noodle doodle.

My Mummy makes the best noodles in the world.

My Daddy gives the best cuddles in the world.

We cuddle in a puddle

And make a cuddle huddle

My Daddy gives the best cuddles in the world.

My Grandad blows the best bubbles in the world.

I chase bubbles at the double.

And pop the trouble bubbles.

My Grandad blows the best bubbles in the world.

My Granny knits the best bobbles in the world.

I nobble Granny's bobble.

And the bobble wibble wobbles.

My granny knits the best bobbles in the world.

My sister does the best waddles in the world

She waddles and she toddles

Her name is Molly Coddle

My sister is the best waddler in the world

I'm the best of lots of things in the world.

Putting noodles on our poodle

Cuddling in a puddle

Popping your trouble bubbles

Nobbling Granny's bobble

Waddling with Molly Coddle

I'm the best at lots of things in the world.
